THIS PACKAGE CONTAINS NON-RESTRICTED, TIME-SENSITIVE CANINE MATERIAL

In accordance with **CDC guidelines** and **USDA Guidelines for Importation: #1102 Canine Material**, neither CDC nor USDA import permits are required because I can verify the following statements to be true.

- 1) The materials in this shipment are canine samples (tissue or blood) that are non-restricted, non-infectious specimens for diagnostic purposes. Sample does not contain any infectious agents of human or agricultural concern. **It is exempt from CDC, USDA, and USF&W import controls.**
- 2) These materials do not contain any other animal-derived material (i.e., does not contain any livestock or poultry origin material).
- 3) This material was not derived from canine species which were inoculated with or exposed to any infectious agents of USDA agricultural concerns.

I declare that the above information is true and correct to the best of my knowledge.

We highly recommend that you use an international carrier that will provide you with a tracking number and estimated delivery date. Please email this tracking number to us at howdy@embarkvet.com so that we can also track your package. Note that Embark Veterinary is not able to accept Saturday deliveries.

The value that you declare on your shipment's US Customs form should not total more than US\$15. This is the value of the swabs themselves, not the price of your order. This will make it easier to get your shipment through customs, and there should not be any duties or taxes applied. Any duties, fees or taxes are the responsibility of the customer. Sample processing will be delayed until all outstanding balances are paid.
